Five-five Taxi Company

House parties are this week-end , but vacation begins next week-end. Have you called the Five-five taxi company for your taxi home yet? Five-five urges that you make your preparations early, because so many girls have the same idea of taking a taxi all the way home - to Boston or New York and vicinities. Call Five-five, and the company will take care of you, calling for you when you want to leave, carrying your bags into the warm and comfortable car, and taking you home, without the mass of crowds. Convenient, comfortable, quick, and economical, cab travel, Five-five travel, is becoming the favorite at Smith. Call Five-five, and you'll get service for your drive!
